Professional Services Program Physician Services Reimbursement Rate Reduction (LAC 50:IX.15113)

The Department of Health and Hospitals, Bureau of Health Services Financing amends LAC 50:IX.15113 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act and as directed by House Bill 1 of the 2012 Regular Session of the Louisiana Legislature which states: "The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, cost sharing, and other measures as permitted under federal law." This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing amended the provisions governing the reimbursement methodology for physician services to increase the reimbursement rates for obstetric delivery services (*Louisiana Register*, Volume 37, Number 3).

As a result of a budgetary shortfall in state fiscal year 2013, the department promulgated an Emergency Rule which amended the provisions governing the reimbursement methodology for physician services to reduce the reimbursement rates and discontinue reimbursement for certain procedures (*Louisiana Register*, Volume 38, Number 7). The department promulgated an Emergency Rule which amended the provisions of the July 1, 2012 Emergency Rule in order to revise the formatting to ensure that these provisions are promulgated in a clear and concise manner (*Louisiana Register*, Volume 38, Number 10). This Emergency Rule is being promulgated to continue the provisions of the October 20, 2012 Emergency Rule. This action is being taken to avoid a budget deficit in the medical assistance programs.

Effective February 18, 2013, the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions governing the reimbursement methodology for physician services.
